

Key Insights: One Voice Wales COST OF LIVING CRISIS SURVEY 2023/24

We surveyed all 732 Community & Town Councils in Wales to ask their views on how the Cost of Living Crisis is affecting their communities and how they are involved in any support being provided.

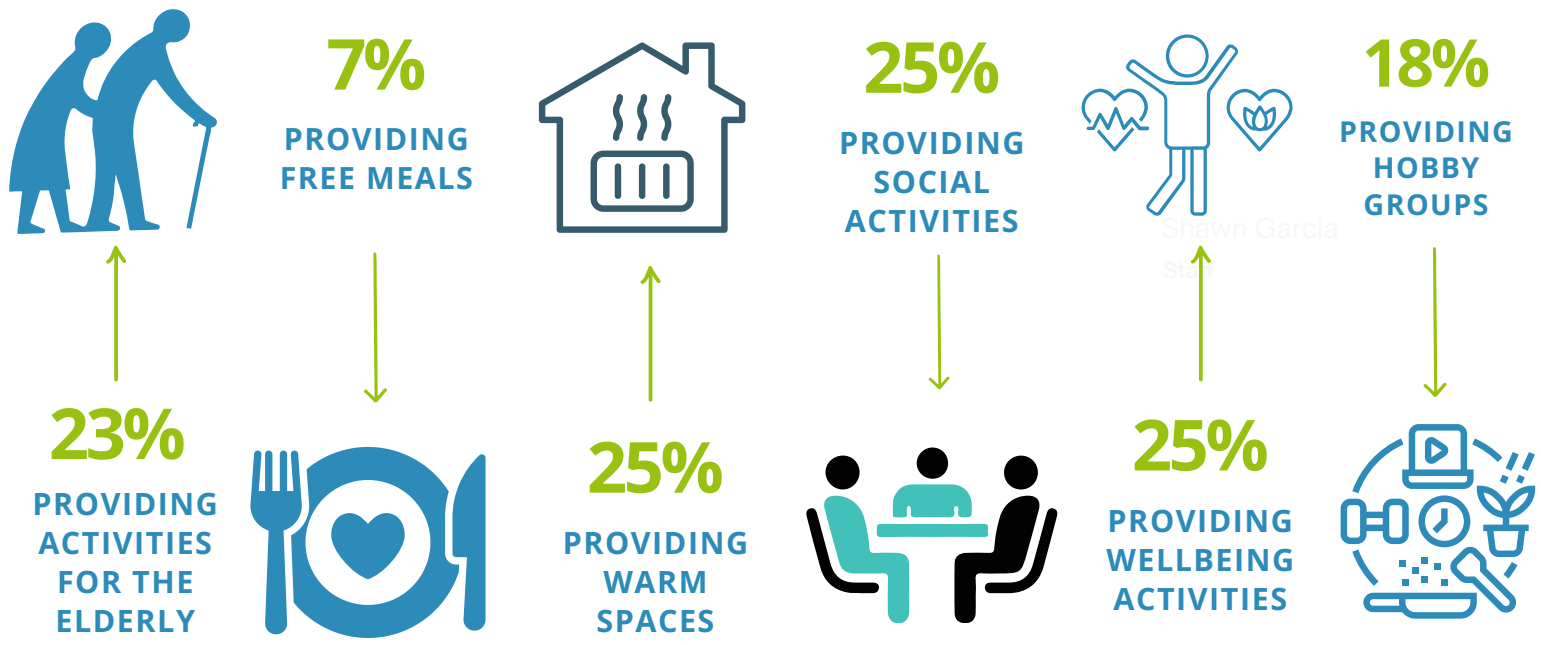

“We see it and feel it around us as businesses and residents struggle to make ends meet”

C&TCs thought these were the biggest Cost-of-Living issues in their Communities

KEEP UP THE GOOD WORK

So much support is already being provided by Community & Town Councils across Wales

“The council currently grows fruit and vegetables for the Community to help themselves”

THERE IS MORE WORK TO DO

The research tells us our Communities are still struggling

- 43% of Households reported a worsening financial situation
- 23% said they would not be able to cope financially
- 20% of households were eating less food
- 44% said rising costs affecting mental health*

The average person Citizens Advice help with debt advice have only £21 left over each month after paying for their essentials.
