

## **Justin Horrell – Digital Project Manager**

Justin is the Digital Project Manager at One Voice Wales having started in his role on 25 July 2023. He is responsible for the implementation of the Action Plan for the Digital Health of Community and Town councils which is sponsored by the Minister for Finance and Local Government.

Prior to taking up this role, Justin has had over 30 years experience in the Information Technology Services industry. This has included roles in engineering, IT architecture and project management as well as senior leadership. He has worked with government and commercial clients across Europe as well as leading teams and programmes across the globe.

Justin has a BSc (Hons) in Mathematics from Manchester University. In addition to his work with One Voice Wales, Justin is a committed community activist. He represents the ward of Abercraf on the Ystradgynlais Town Council, is the Secretary of the Abercraf and District Miners Welfare Institute and is a Community Governor of Ysgol y Cribarth in Abercraf.

Following an upbringing on the Gower Peninsula, Justin has lived for the past 20 years in the Upper Tawe Valley on the edge of the Bannau Brycheiniog National Park. When he has any access to spare time he enjoys Welsh literature, rugby and outdoor activities such as hiking and cycling.
